 - A. Corrections and additions to the agenda. Introductions were added to the agenda
 - B. Approve minutes from June 5th meeting. Copies of minutes were not available so this item will be postponed to the next meeting (September).
 - C. Introductions
- II. 2025-2030 Strategic Planning Discussion - while pursuing ARPA funds, including assessing the library for ADA accessibility, the goal of this strategic plan will be to dovetail with that theme and determine how to ensure the HPL is a gathering place for all. The process will include a digital and in-person survey. (The age related question should read: decline to answer. The library's phone number and an email should also be included.) It might make sense to keep track informally of who you interview. Be mindful of including a wide range of ages and include N.Hartland as well as HES and church communities.
- III. Library tour - the HPL fun facts one page description was shared. It was commented that it is impressive and amazing how much is going on at our library. Perhaps fun facts can be posted and/or tours given to current patrons to increase awareness?
- IV. No public was present for comment

Meeting adjourned at 6:15pm.

Respectfully submitted,
Dana Jacobson-Goodhue
